Dave E. David, M.D. is a highly respected Cosmetic Surgeon in the Boston area who has been practicing medicine for 35 years, including over a decade in Newport Beach California.

He is a 2 time recipient of The Patients' Choice Award and has been seen on national television for the last 25 years, including appearances on CNN and the national Fox News Network, as well as appearances with some of the top TV and film stars. His patients have included Olympic athletes, professional athletes and families of celebrities.

Dr. David is known for his highly specialized practice of modern day VASER liposuction and Botox and Facial Fillers and is considered to be one of the top experts in the country in these areas of cosmetic surgery. His patients come to see him from all around the U.S. and he is well known for his treatment of male gynecomastia.

Dr. David, who is a recipient of the AMA's Physician's Recognition Award, is well known for being an expert in modern day liposuction, having studied 1 on 1 with the pioneers of lipo in Rome and Paris in the 1980s.

Since completing his internship through Harvard in 1980, Dr. David has served as Medical Director of United Health Care and has been on faculty at Harvard University, The University of Rhode Island and the Medical School at University of California, Irvine. He also has volunteered for emergency medical and surgical care after the earthquake in Haiti and the tsunami in Sri Lanka.

Dr. David is frequently consulted by patients to correct liposuction results performed elsewhere, that they may not have been happy with.
